

PROJECT IDEA AND TARGET AUDIENCE

Travel Bug is a travel website that provides users with information about various destinations around the world. The website offers destinations tab, about, blogs/articles etc for travellers looking to explore new places. Its purpose is to inspire and assist individuals in planning their next adventure to their dream destination and making the most of their travels. Overall the website will simplify the users travel experience by making the website organized.

Needs from the Travel Website: Nicole is looking for budget travel blogs with tips on cheap destinations, budget-friendly attractions. She also seeks information on backpacker-friendly destinations.

DESIGN PLANNING

SITE MAP:

STYLE GUIDE:

Here is the style guide I compiled which includes the main logo for the website, it also includes so alternative logos for extra options. Then it includes the color palette I will be using and the fonts which I decided to choose DM Serif Display and for paragraphs I chose to go for a simple font Montserrat Semi Bold. This guide finally includes some brands assets.
